[Demand for Jury Trial]

## **INTRODUCTION**

1  
2 1. This action is brought to enforce the Religious Land Use and Institutionalized  
3 Persons Act of 2000 ("RLUIPA"), 42 U.S.C. § 2000cc, and for violation of constitutional rights  
4 under 42 U.S.C. § 1983. The Plaintiff and Real Party in Interest seek equitable relief,  
5 declaratory relief and damages.

## **JURISDICTION AND VENUE**

6  
7  
8 2. This Court has jurisdiction over this action under 28 U.S.C. §§ 1331, and 1343(3)  
9 (4) and 42 U.S.C. § 2000cc, *et seq.*, which confer original jurisdiction on federal district courts  
10 in suits to reduce the deprivation of rights, privileges and immunities secured by the United  
11 States Constitution and federal law, particularly the First Amendment to the United States  
12 Constitution, and specifically the Religious Land Use and Institutionalized Persons Act of 2000.

13 3. This action is authorized in part by 42 U.S.C. § 1983 because the Defendant is a  
14 state actor which has abridged the constitutional rights of the Plaintiff and Real Party in Interest.

15  
16 4. The Court has jurisdiction over the request for declaratory relief pursuant to 28  
17 U.S.C. §§ 2201 and 2202 and FRCP 57, and includes a request for a speedy decision and an  
18 advance on this Court's calendar under 28 U.S.C. 2201 and FRCP 57.

19 5. Venue is proper under 28 U.S.C. § 1391(b), because the acts giving rise to the  
20 claims alleged herein has occurred, and continues to occur, in the Northern District of California.

## **PARTIES** **Plaintiff**

21  
22  
23 6. Plaintiff, International Church of the Foursquare Gospel ("ICFG"), holds title to  
24 property, which is the subject of the dispute, as more fully described herein. ICFG is a Christian  
25 denomination with an episcopal polity.  
26  
27  
28

**Real Party in Interest**

7. At all times herein mentioned real party in interest, FAITH FELLOWSHIP FOURSQUARE CHURCH, (hereinafter called “the CHURCH”), was, and is, “a religious assembly or institution” for the purposes of RLUIPA (42 U.S.C. § 2200cc et seq.). CHURCH is associated with ICFG. The CHURCH’s interest in the property which is the subject of this litigation is as follows: (1) it pays the mortgage; (2) submits applications to local governments for development and use of the property; (3) plans, executes and pays for the development of the property; and, (4) occupies and uses the property for its religious activities.

**Defendant**

8. Defendant, CITY of SAN LEANDRO (hereinafter “the CITY”), was and now is a government entity for the purposes of RLUIPA (42 U.S.C. § 2200 et. Seq.) and a municipal corporation, created under the authority of, organized and existing under, the laws of the State of California, and situated in the County of Alameda, and is empowered to act through its governing body, its officials, employees and official bodies. Plaintiff is informed and believes and thereon alleges that the CITY if a recipient of federal funds. At all times described herein, the CITY acted in a manner ultra-vires to the law and under color of state law, giving rise to the claims of ICFG and the CHURCH, as more fully set forth herein.

9. ICFG and the CHURCH is ignorant of the true names and capacities, whether individual, corporate, associate, or otherwise, of DOES 1 through 50, inclusive. ICFG and the CHURCH is informed and believes and thereon alleges that each of the fictitiously named Defendants is in some way responsible for or participated in or contributed to the matters and things complained of herein, and is legally responsible in some manner therefore. ICFG and

1 the CHURCH will seek leave to amend this Complaint when the true names, capacities,  
2 participation, and responsibilities have been ascertained.

3 **STATEMENT OF FACTS**

4 10. The CITY — including but not limited to the City Council, Mayor, Planning  
5 Commission, Board of Zoning Adjustments, City Manager, Development Services Department  
6 (formerly the Community Development Department), and Engineering and Transportation  
7 Department—has the authority to regulate and restrict the use of land and structures within its  
8 borders, including establishing Assembly Overlay to the Zoning Plan.  
9

10 11. The CHURCH was founded in 1947. Its members have sincerely held beliefs that  
11 Jesus Christ commands them to proclaim the Gospel, make disciples, and aid the poor. They  
12 practice their beliefs by providing opportunities for worship, religious instruction and activities  
13 for people of all ages. They also perform charitable services for the underprivileged.  
14

15 12. By January, 2006, the CHURCH had outgrown its present facilities at 577 Manor  
16 Boulevard (hereinafter “MANOR”), where three Sunday morning worship services were held for  
17 nearly 1,700 people. Parking overflowed, overwhelming surrounding residential streets to the  
18 detriment of all concerned. Because its kitchen was too small to prepare meals for countless  
19 poor, the church had to curtail its charitable efforts. These conditions persist today.  
20

21 13. The CHURCH began a diligent search for suitable property to accommodate its  
22 growth. In February, 2006, the CHURCH found ideal property on 14600 and 14850 Catalina  
23 Street (hereinafter “CATALINA”), comprising 3.56 acres and 188 parking spaces, with  
24 convenient access to arterial streets in every direction. The property was zoned Industrial Park.

25 14. The CHURCH engaged in an extensive search of properties in San Leandro in  
26 areas that are zoned as residential. No properties are available in residentially zoned areas which  
27  
28

1 have sufficient acreage and/or a building that will accommodate an assembly of the CHURCH's  
2 size.

3 15. One month later, CHURCH representatives met with CITY officials, to discuss use  
4 of the property for church activities. Representing the CITY, Development Director Hanson  
5 Hom; Planning Manager Ms. Debbie Pollart and Business Development Director Luke Simms  
6 assured the CHURCH that while zoning for industrial districts precluded an assembly use for  
7 church activities, several assembly uses for commercial recreation and entertainment in  
8 Industrial Limited zones were allowed via a Conditional Use Permit. CITY officials advised the  
9 CHURCH to apply for rezoning of the CATALINA property from Industrial Park (IP) to  
10 Industrial Limited (IL). But unbeknownst to the CHURCH, churches were *only* permitted in  
11 Residential zones. Because the IP zone already permitted entertainment activities and  
12 commercial recreation as conditional uses, CITY Officials had directed the CHURCH to proceed  
13 with an irrelevant rezoning application. Relying on misinformation from CITY Officials, the  
14 CHURCH embarked on a fruitless fourteen-month "wild goose chase."

15 16. On March 24, 2006, the CHURCH signed a purchase and sales agreement and paid  
16 \$50,000, half of a nonrefundable fee applicable to the purchase price of \$5,375,000, giving them  
17 eight days to decide whether to complete the purchase of the CATALINA property. Then, on or  
18 about March 31, 2006, the CHURCH paid the second half of the nonrefundable fee in the  
19 amount of \$50,000.

20 17. On March 30, 2006, the CHURCH's Council approved the purchase of the  
21 CATALINA property. Ten days later, CHURCH members concurred. By December 7, 2006,  
22 the CHURCH's denomination—Plaintiff, International Church of the Foursquare Gospel—also  
23 assented.  
24  
25  
26  
27  
28

1           18. May 11, 2006, following the direction of CITY officials, the CHURCH filed a  
2 Planning Permit Application for a Zoning Map Amendment on the CATALINA property from  
3 Industrial Park to Industrial Limited to allow a subsequent application for a Conditional Use  
4 Permit for an assembly use. That same day, the CHURCH signed an amendment to their  
5 purchase and sales agreement and paid an additional \$50,000 nonrefundable fee, applicable to  
6 the purchase price, to extend the agreement until July 6, 2006. The third extension of escrow,  
7 with a total non-refundable deposit of \$150,000, was up December 31, 2006. The CHURCH  
8 informed CITY officials of this fee on or about September, 2006.

9  
10           19. On May 18, 2006, the then owner of the CATALINA property completed its  
11 portion of the Planning Permit Application for a Zoning Map Amendment. On the same day the  
12 CHURCH signed an Agreement for Payment of Fees for Application Processing and made a  
13 \$2,000 deposit.

14  
15           20. On June 8, 2006, the City Council Business Development Committee met and  
16 discussed the CHURCH's application to use the CATALINA property. The Committee made  
17 up of then Mayor Young and City Council members Stephens and Badger expressed concerns  
18 over the policy implications of allowing an assembly use in an industrial zone. This was stated  
19 in apparent unawareness that under the municipal code assembly uses, such as, commercial  
20 recreation and entertainment activities, are allowed in industrial districts.

21           21. On June 29, 2006, the CITY acknowledged receipt of the CHURCH's application.  
22

23           22. On July 11, 2006, the CHURCH signed an amendment to their purchase and sales  
24 agreement on the CATALINA property and paid an additional \$50,000 nonrefundable fee,  
25 applicable to the purchase price, to extend the agreement until October 31, 2006. The CHURCH  
26 informed CITY officials of this fee on or about October, 2006.  
27  
28

1           23. In July, 2006, the Planning Commission postponed discussion of the CHURCH's  
2 zoning code amendment application, due to lack of information from the Planning Department.

3           24. In August, 2006, the Planning Commission held no meetings and conducted no  
4 business.

5           25. In September, 2006, the Planning Commission again postponed discussion of the  
6 CHURCH's zoning code amendment application.

7           26. The discussion was postponed due to lack of information from the Planning  
8 Department.  
9

10          27. On October 10, 2006, Faith Fellowship members addressed the San Leandro City  
11 Council during the Public Comment portion of the meeting. The CHURCH's Senior Pastor,  
12 Gary Mortara, Associate Pastor, David Silvey, realtor, Ed Bullok, and Sam Maliniak, an  
13 engineer with San Jose Construction Company, with approximately 300 church members in  
14 attendance, spoke about the proposed purchase of the CATALINA property and the burdensome  
15 delays that the Defendant has caused in the review process.  
16

17          28. On October 12, 2006, the City Council's Business Development Committee met  
18 and discussed the CHURCH's zoning amendment application. The CHURCH's Senior Pastor,  
19 Gary Mortara, and Projects Coordinator, Jim Lee, attended the meeting. The Committee, made  
20 up of then Mayor Young and then City Council members Badger and Stephens, expressed  
21 concerns over the loss of tax revenue derived from industrial land that would result from  
22 permitting such a religious assembly use and decided that more research was needed.  
23

24          29. On October 19, 2006, the Board of Zoning Adjustments and the Planning  
25 Commission held a joint work session, at which time the CHURCH's application was discussed.  
26 It was decided that, rather than amend the Zoning Code to allow assembly uses as conditionally  
27  
28

1 permitted in Industrial Park zones, the CITY would apply an assembly use overlay to identified  
2 areas in which assembly uses would be permitted. The Planning Staff was directed to develop a  
3 specific proposal for an Assembly Use Overlay District. The CHURCH's Senior Pastor, Gary  
4 Mortara, attended the meeting and told of the purchase and sales agreement, the substantial  
5 investment already paid in escrow, and about how the CHURCH had been seeking approval  
6 from the CITY for six months (since March of that year). He reported that the Board of Zoning  
7 Adjustments and the Planning Commission members were very anxious to help the CHURCH  
8 that night when they heard how long the CHURCH had been waiting. But when the members  
9 asked what they could do to help, Ms. Pollart said there was nothing they could do, they could  
10 only make a recommendation.  
11

12 30. On October 23, 2006, the CHURCH signed an amendment to their purchase and  
13 sales agreement on the CATALINA property and paid an additional \$50,000 nonrefundable fee,  
14 applicable to the purchase price, to extend the agreement until December 31, 2006.  
15

16 31. On November 1, 2006, an attorney for the CHURCH, Kevin Snider, sent a letter to  
17 the Planning Commission outlining the CHURCH's need for a new meeting place and the  
18 reasons why denial of the CHURCH's application would be a violation of RLUIPA.  
19

20 32. On December 7, 2006, the Board of Zoning Adjustment met and reviewed the  
21 refined proposal for an Assembly Use Overlay. CHURCH representatives attended the meeting.  
22 The Board took no action, citing lack of information. However, the Board raised concerns over  
23 the loss of taxes should the CHURCH use the property.  
24

25 33. On December 29, 2006, the CHURCH closed escrow on the CATALINA property.  
26 The CHURCH could not extend the purchase deadline any longer, because the note on the  
27 CATALINA property had come due and the then owner was forced to either refinance or sell it.  
28

1 To close escrow they put down a final down payment of \$53,903.39. The Church believed there  
2 was a strong likelihood of approval based in part on the statements of CITY officials that other  
3 amendments for assembly uses by commercial recreation and entertainment businesses had been  
4 previously approved, on supportive representations made by CITY officials at public meetings,  
5 especially the October 19, 2006, meeting of the joint session with the Board of Zoning  
6 Adjustments and the Planning Commission, and, as suggested by Defendant Jermanis, the  
7 Church had secured written support from virtually all neighboring businesses on Catalina Court.  
8

9 34. On January 2, 2007, the deed of trust for the CATALINA property in the legal  
10 name of the CHURCH and ICFG was recorded in the Alameda County Recorder's office.

11 35. On January 17, 2007, the Redevelopment Advisory Committee recommended that  
12 properties occupied by religious assembly uses be returned to a taxable use once the property is  
13 vacated.  
14

15 36. On February 22, 2007, the Planning Commission recommended approval of the  
16 proposed Assembly Use Overlay District and Map amendments, which did not include the  
17 CATALINA property. The few parcels rezoned to the AU Overlay District of adequate size for  
18 a congregation of 1500 persons (3.5 acres) were generally located between two railroad tracks  
19 near heavier industry, lacking in infrastructure, and adjacent to old strip commercial blight or  
20 residential development.  
21

22 37. On March 19, 2007, the City Council approved the Assembly Use Overlay District  
23 and Map Amendments effective on May 1, 2007, creating an Assembly Use Overlay, consisting  
24 of 196 properties, but not the CATALINA property.  
25  
26  
27  
28

1           38. On March, 2007, at the direction of City officials, the CHURCH applied for an  
2 amendment to the Zoning Code and Map for the CATALINA property, changing it from  
3 Industrial Park to Industrial Park with Assembly Use Overlay.

4           39. In the week prior to the April 12, 2007, Planning Commission meeting, the  
5 Planning Staff Report submitted by Ms. Pollart to the Planning Commission recommended  
6 denial of the CHURCH's application for an amendment for an Assembly Overlay on the  
7 CATALINA property. In making its recommendation the staff listed the following eight (8)  
8 criteria based on the CITY'S General Plan and Policies that it used to produce the already  
9 approved Assembly Overlay District covering 196 properties. Said criteria are as follows:  
10  
11       "1) Site is not located along a major commercial corridor (identified as E. 14th Street and  
12 Marina Boulevard between San Leandro Boulevard and Merced Street);  
13  
14       2) Site is not located within the following General Plan Focus Areas: Downtown, Bayfair,  
15 Marina Blvd./SOMAR, or West San Leandro (each of these Focus Areas is governed by one or  
16 more of the following, which governs future development – special study/guidelines, special  
17 overlay district, or location within a redevelopment area);  
18  
19       3) Site is not located in a regional-serving retail area (identified as Greenhouse Marketplace,  
20 Westgate, Marina Square, and 'old' Target site);  
21  
22       4) Site is not located inside the one-half-mile study area identified for the Downtown Transit-  
23 Oriented Development (TOD) Strategy;  
24  
25       5) Site abuts or is within one-quarter mile of an arterial street (as identified in the Circulation  
26 Element of the General Plan);  
27  
28       6) Site is not located in a Residential Zone (Assembly uses are already conditionally permitted  
in residential zones, so they would not produce new areas for assembly uses to locate if

1 considered);

2 7) Site is not considered public land, and is not zoned Public Service (PS), Open Space (OS), or  
 3 Commercial Recreation (CR); property is not owned by an Exempt Public Agency, or  
 4 leased/owned by a public utility (these areas represent properties and uses that are unlikely to  
 5 change);

6 8) Overlay Area must allow a contiguous area greater than or equal to two acres. (This figure  
 7 was derived from research indicating that large assembly uses require a minimum 2-acre site to  
 8 accommodate bigger building size and to allow for adequate on-site parking.)”

9  
 10 40. On April 9, 2007, Peter MacDonald, an attorney representing the CHURCH, wrote  
 11 to the Planning Commission, addressing the proposed negative findings of the Planning Staff  
 12 Report prepared by Ms. Pollart and her recommendation that the Commission deny the  
 13 CHURCH’s application.

14  
 15 41. The staff said that the CHURCH’s project site, the CATALINA property, does not  
 16 meet two of the criteria: 1) Criterion #2, because the property is located within one of the  
 17 identified General Plan Focus Areas; and 2) Criterion #5, because the property does not abut or  
 18 is not located within one-quarter mile of an arterial.

19 42. The staff report prepared by Ms. Pollart went on to state that the site failed to meet  
 20 an additional criterion of public health and safety, which the Planning Commission did not apply  
 21 to the 196 properties approved for assembly use two months earlier. It said the presence, and the  
 22 potential future presence, of hazardous materials and activities in the vicinity of the CHURCH’s  
 23 site and the intended assembly use, rendered it inappropriate for rezoning with the Assembly  
 24 Use Overlay. This was allegedly based on findings that there are eight (8) businesses operating  
 25 under a Hazardous Materials Business Plan within 500 feet of the CHURCH’s site, and an  
 26  
 27  
 28

1 additional 13 businesses between 500 feet and one-quarter mile of the site. In fact, the  
2 Hazardous Materials buffer zone is a requirement that has been placed exclusively on the  
3 CATALINA property that the CHURCH wishes to use for religious purposes. Of the numerous  
4 places that are used for assembly in San Leandro, not one has had said requirement placed on it,  
5 no matter which zone the assembly use properties are located in.

6 43. On April 12, 2007, the Planning Commission denied the CHURCH's assembly use  
7 amendment application. The decision did not require concurrence by the City Council, but  
8 appeal to the City Council was permitted.  
9

10 44. On May 7, 2007, the City Council denied the CHURCH's appeal. Council  
11 members Tony Santos, Surlene G. Grant, Diana M. Souza, Joyse R. Starosciack, Bill Stephens,  
12 and Jim Prola each voted to deny the CHURCH the use of the CATALINA property. The  
13 minutes reflect that the Board vote was based upon the Council not wanting the CATALINA  
14 property taken out of the tax base, objections of nearby neighbors and traffic concerns. The  
15 CHURCH has and continues to implement mitigating measures required of Defendant. The  
16 Defendant's action was an individualized assessment of the CATALINA property. The  
17 CHURCH has exhausted its administrative remedies.  
18

19 45. The CHURCH has engaged in extensive searches of properties in the Assembly  
20 Overlay District and found that there are no properties available that will accommodate an  
21 assembly of the CHURCH's size. Further, the CHURCH has also thoroughly searched  
22 properties in San Leandro that are residentially zoned areas and have found that there is no  
23 property available in said zone which has sufficient acreage and/or a building that will  
24 accommodate an assembly of the CHURCH's size.  
25  
26  
27  
28

46. The Defendant's denial of the CHURCH's use of the CATALINA property has caused, and continues to cause, economic damages to the CHURCH. In addition to the \$100,000 payment the CHURCH made with the purchase and sales agreement on March 24, 2006, it had to make three additional nonrefundable payments of \$50,000 each as it waited in vain to get a response from the CITY on its application. Since January 2, 2007, when it completed the purchase, the CHURCH has made monthly mortgage payments of \$33,809.88 each, over \$1,100 a day, without being able to use its property. Additionally, the CHURCH had to rely on an attorney to facilitate the application process with the CITY. Despite the CHURCH's good faith efforts for more than fourteen (14) months to comply with the Defendant's application process, the CHURCH has spent over \$460,000 and still has not been able to use the CATALINA property. Moreover, Jermanis and Pollart intentionally delayed the review of the CHURCH's application for fourteen months knowing that said delay was (1) substantially burdening the CHURCH's religious exercise and (2) violating the CHURCH's rights under the First and Fourteenth Amendments. Peter MacDonald sent letters to the Planning Commission and the City Council stating that their actions were in violation of RLUIPA. Based on these letters they knew that their actions were in violation of federal law. Defendant acted in deliberate contempt of the law.

## Substantial Burden

47. The Defendant's Zoning Ordinance at the time of initial application by the Church in May 2006 substantially burdened the exercise of religious beliefs in that there was no place in the City that a congregation of 1,500 persons or greater could locate. Industrial Districts prohibited religious assembly, but not other kinds of assembly. Residential zones could not accommodate large congregations, and a discretionary use permit process assured that any such

1 CUP application in a residential setting would be denied. As a result, large congregations are  
2 precluded from the jurisdiction.

3 48. The Defendant's Zoning Ordinance as applied after adoption of the AU Overlay  
4 District in March 2007, substantially burdens the exercise of religious beliefs in that there is still  
5 no place in San Leandro that a congregation of 1,500 person can locate. Denial of the  
6 CATALINA site was based upon the presence of businesses with Hazardous Materials Business  
7 Plans (HMBP's) within ¼ mile. That criteria would apply to prohibit large congregations  
8 anywhere within the area rezoned AU Overlay because all of those 196 parcels are within ¼  
9 mile of a HMBP.  
10

11 49. The planning process followed by the Defendant deliberately and substantially  
12 burdened the exercise of religion in several ways: First, the CITY had the CHURCH make a  
13 meaningless application for rezoning to the Light Industrial district (IL) that had certain  
14 assembly uses (commercial recreation and entertainment activities). Those uses (commercial  
15 recreation and entertainment activities) were already allowed under the existing zoning  
16 (Industrial Park – IP). Second, the Defendant then left the CHURCH's rezoning application un-  
17 processed on a shelf for ten months with knowledge that the option to purchase the CATALINA  
18 site would expire before a fair hearing or any hearing from the City. Third, the Defendant  
19 processed the proposed CHURCH use as three sequential approvals rather than as three parallel  
20 approvals (i.e., Creation of Assembly Use Overlay District, re-zone of CATALINA site to  
21 Assembly Use Overlay District, and then finally a conditional use permit.) This allowed denial  
22 of the proposed re-zoning to AU Overlay based upon theoretical reasons (e.g., distance from  
23 arterial) which ignored the actual physical conditions (outstanding traffic access) and  
24 unreasonably extended the time for decision.  
25  
26  
27  
28

1           50. The Defendant substantially burdens religious uses by conclusively presuming  
2 churches are incompatible with industrial uses, in the face of substantial contrary evidence:  
3 One, well planned cities who studied the issue, including Pleasanton, Dublin, Livermore,  
4 Concord, San Jose and Fremont have found churches compatible with industrial uses. Two, the  
5 traffic pattern of church uses is synergistic to industrial traffic, peaking on Sunday, and on  
6 weeknights, when industrial traffic is minimal or nonexistent. Three, church use does not  
7 remove buildings from the industrial base, but uses those buildings in their current form, and  
8 returns those buildings to the industrial base when the religious use moves on. Four, the  
9 cumulative demand for church space is tiny relative to the supply of industrial space (29,000,000  
10 sq. ft. in San Leandro alone). Five, the presence of businesses subject to Hazardous Materials  
11 Business Plans (HMBP's) is ubiquitous and was used as a pretext for denial. The number of  
12 persons potentially exposed to a hazardous materials incident in an industrial district is far  
13 greater during the weekdays than during Sunday morning church service.  
14

15  
16           51. The Defendant's denial of the CHURCH's use of the CATALINA site is a  
17 substantial burden on the CHURCH's exercise of its religious beliefs. The core beliefs and  
18 values of the CHURCH include: joyous worship of God, local and global evangelism to lead  
19 people to faith in Christ, discipleship to instruct believers in life and service, and works of  
20 compassion, justice, and human aid. The inability of the CHURCH to use the CATALINA  
21 property is a significant restriction on its pursuit of these core tenets, because it limits the  
22 number of members and visitors who can attend, participate in activities, and receive spiritual  
23 help at its current location on Manor Blvd.  
24  
25  
26  
27  
28

**Substantial Burden**  
**(Worship Services)**

52. One of the core functions of the CHURCH involves meeting to conduct worship services. The CHURCH has three different service meeting times each Sunday to accommodate about 1,700 attendees. At any given time about 500 to 600 vehicles need Sunday service parking. The current location is in a residential neighborhood and only has 154 parking spaces. Attendees park on crowded residential streets. At times, people walk about twenty or more minutes to attend Sunday service. Every Sunday numerous vehicles drive off and do not return because there is no place to park. The CHURCH thus loses the opportunity to minister to dozens of people each Sunday as a result of Defendant's refusal to allow the CHURCH to use the CATALINA property. Indeed, to alleviate the parking at the MANOR property, the CHURCH purchased a neighboring house in the amount of \$565,000 in May of 2006 to obtain a mere 10 additional parking spaces. In other words the CHURCH paid \$56,500 per parking space.

53. It is ICFG's and the CHURCH's theological belief that a local congregation is more than a legal entity that provides religious activities. A church congregation is an entity which is comprised of people who come together to form one body with Jesus Christ as its head. Those who attend congregate to worship God, fellowship with each other, and perform acts of religious service also known as ministry. Those who are turned away each Sunday results in the infliction of suffering in the body. The absence of these dozens of worshippers in the present case is, in a profound theological sense, a substantial burden on the religious practices of gathering together as one body for worship, fellowship and ministry.

54. The dozens of people in the forty or so vehicles turned away every Sunday creates a substantial burden on the religious exercise of the CHURCH in its proselytizing efforts. In

1 addition to engaging in activities which edify the believers who attend the worship services,  
2 many who are turned away are visitors to the CHURCH who are not Christians. These have  
3 been invited by congregants or come on their own because they are seeking spiritual help. It is a  
4 core tenet of the CHURCH to share the Gospel orally and through acts of service. Portions of  
5 the worship services and ministry activities on Sunday mornings are calculated to evangelize  
6 visitors who are not Christians. The denial of the use of the CATALINA property by the  
7 Defendant thus substantially burdens the CHURCH's ability to make converts.  
8

9 55. The new location has 188 parking spaces. Additionally, the new location is zoned  
10 commercial, there is plenty of open street parking, and the CHURH has negotiated with  
11 surrounding businesses to use their lots for weekend parking which would add 200 to 300  
12 spaces. If the CHURCH could use the new location then parking would not be a problem.  
13 Worship services would be open to all attendees, not just attendees willing and able to walk  
14 twenty minutes or show up an hour early to obtain close parking.  
15

16 56. Moreover, by not allowing the CHURCH to use their newly acquired property the  
17 Defendant is substantially burdening the CHURCH's ability to conduct weekly religious  
18 services for their congregation. For example, some of the CHURCH's members are disabled,  
19 have small children, or are not able to walk twenty plus minutes to attend Sunday services.  
20 Furthermore, some vehicles are not able to find any parking. These attendees are completely  
21 denied access to the CHURCH based on limited parking. Hence, by not allowing use of the  
22 CATALINA site the Defendant is substantially burdening religious services conducted by the  
23 CHURCH.  
24

25 57. Parking and a general facility space shortage has caused another impediment on the  
26 CHURCH's service. The CHURCH's current location has an occupancy of approximately 650  
27  
28

1 people in the sanctuary, while the new facility can accommodate about 1,100 people in the  
 2 sanctuary. The CATALINA property can seat 1,100 in the sanctuary and an additional 500 in  
 3 other activities (e.g., children and youth) per service. The Defendant is substantially burdening  
 4 the CHURCH's ability to provide fellowship with each other, perform acts of religious service,  
 5 and worship God, by denying access to a new facility that can accommodate a larger religious  
 6 service.

7  
 8 58. The CHURCH's Sunday service is hampered by parking and facility space  
 9 limitations. Being able to use the new facility is vital to the CHURCH's religious service. The  
 10 Defendant's denial of access is taking critical space needed to provide a service adequate for the  
 11 CHURCH's size. The CHURCH's worship services have been, and continue to be, substantially  
 12 burdened by the Defendant's denial of access to their new facility.

13  
 14 **Substantial Burden**  
**(Faith Fellowship Ministries)**

15 59. Performing acts of service, generally known as ministry, is a fundamental tenet of  
 16 ICFG and the CHURCH. Ministries are for both proselytizing and discipleship, e.g.,  
 17 educational. Parking and facility space limitations also encumber the CHURCH's ministries.  
 18 The CHURCH organizes a number of different ministries for their members. Three specific  
 19 ministries that have been, and continue to be, substantially burdened by limited parking and  
 20 facility space, i.e., (1) FaithKidz Ministry, (2) Youth Ministries, and (3) Faith Fellowship  
 21 Women's Ministry. To attend these ministries members of the CHURCH have to find parking  
 22 in a packed residential area and find room in a class that is inevitably full.

23  
 24 60. The FaithKidz Ministry encompasses children from birth through fifth grades.  
 25 Health and safety considerations, such as (1) limited child to adult ratio, (2) physical size of the  
 26 rooms, (3) number of rooms, and (4) the number of children allowed in each classroom, limit the  
 27  
 28

1 ability to minister to the children at the present location. Each Sunday, classrooms reach  
2 maximum capacity. When classrooms reach capacity they are closed. In denying the  
3 CHURCH's use of their new facility the Defendant caused, and continues to cause, said space  
4 encumbrance. The inability to use the CATALINA property creates a substantial burden on the  
5 CHURCH because children who want to participate in the activities and the parents who want  
6 their children to attend the ministry are of necessity turned away. The new larger facility will  
7 allow the CHURCH to extend ministry opportunities to all children who want to attend  
8 eliminating this substantial burden.

10 61. Another space issue relative to the FaithKidz Ministry is the necessity of having  
11 three separate services creating three FaithKidz Ministry sessions. Scattered ministry services  
12 makes developing interpersonal relationships with other children difficult, confuses parent  
13 volunteers and supervisors who have no ability to meet all parents and all children, further  
14 divides the congregation, and creates difficulties in staffing the classrooms.

16 62. Parking and facility space combine to create a problem for parents who want their  
17 children to attend the FaithKidz Ministry. For example, a mother was late to church because she  
18 had to walk five blocks with her three children (ages three, one, and five) to attend. When she  
19 tried to drop off her five year old, the class had reached maximum capacity and was closed.  
20 These two problems combined to make attending the FaithKidz Ministry impossible for her five  
21 year old child. The Defendant is causing the space problem by not allowing the use of the new  
22 facility that has more parking spaces, is at least significantly larger, and is not located in a  
23 crowded residential area. As demonstrated, not being able to park nor find space in classrooms  
24 significantly constricts the religious exercise of FaithKidz Ministry and the CHURCH as a  
25 whole.  
26  
27  
28

1           63. Secondly, the Discipleship Youth Ministry has been burdened by parking and  
2 facility space limitations as well. The Defendant's decision to not allow use of the new facility  
3 has caused these space restrictions. The current facility's youth building has a maximum  
4 capacity of 250 people not including equipment needed to operate the Youth Ministry. The  
5 CHURCH has been forced to split the junior and senior high students into two nights because of  
6 space limitations. The Defendant's decision to not allow use of the new facility significantly  
7 inhibits the Youth Ministry's ability to provide fellowship between the Disciple Youth  
8 Ministry's junior high and senior high school students.

9  
10           64. When a parent or visitor arrives at the CHURCH finding no parking for blocks they  
11 are discouraged, especially if there is a disability. Students are encouraged to invite their parents  
12 to CHURCH. Because of the congestion, some parents will not attend the CHURCH. This  
13 makes many students not attend due to parking. The CHURCH would like to allow all students  
14 to attend the discipleship ministry. Moreover, the CHURCH has a vision for their after-school  
15 discipleship programs, a learning center with computers, on-site tutoring, and youth events and  
16 conferences. Without extra space the CHURCH will continue to not be able to execute their  
17 discipleship activities. The CATALINA property will triple the discipleship program's facility  
18 size and add needed parking for discipleship attendees and their parents. The Defendant has  
19 substantially burdened the discipleship program by denying access to the new facility.

20  
21           65. Finally, the Faith Fellowship Women's Ministry has been, and continues to be,  
22 substantially burdened by not being able to use the CATALINA site. Women comprise sixty  
23 percent of the congregation. Faith Fellowship provides Bible studies, retreats, seminars, weight  
24 loss classes, new mother's classes, outreach programs, and biblical instruction. Women from  
25 outside San Leandro attend classes. It is crucial for the Women's Ministry to secure more space  
26  
27  
28

1 to accommodate the growing number of people who want to be involved in the ministry's  
2 activities. Not being able to use the larger facility owned by the CHURCH is a substantial  
3 burden on its religious exercise, which inhibits the growth and activities of the Women's  
4 Ministry.

5 66. Only those willing to arrive early to park on site or within a reasonable walking  
6 distance, or those willing to park up to five blocks away on residential neighborhood streets and  
7 spend twenty or more minutes walking to the facilities can currently attend the CHURCH's  
8 ministry activities. After arriving those who get there too late cannot attend because of lack of  
9 facility space. The CHURCH needs to use the new facility. This is significantly more than a  
10 mere inconvenience. In stopping the use of the new facility the Defendant is substantially  
11 burdening the CHURCH's ministries.  
12

13 **Substantial Burden**  
14 **(Charitable Services)**

15 67. Performing acts of charitable service for the less fortunate is a fundamental tenet of  
16 ICFG and the CHURCH. It is ICFG and the CHURCH's theological position that when they  
17 assist those in need they are doing this to Christ himself. As such, the CHURCH provides a  
18 number of charitable services for the community and their membership. These services are  
19 being substantially burdened by the Defendant's decision to deny the use of the CHURCH's  
20 CATALINA property. Specifically, the CHURCH's Food Ministry, Single Parent Ministry, and  
21 Community Counseling Ministries have been, and continue to be, substantially burdened due to  
22 the acts of Defendant. The CHURCH has been hindered in providing charitable services due to  
23 the lack of parking, massive residential traffic problem, and shortage of general space. If people  
24 cannot attend these ministries, the CHURCH's charitable activities cannot be accomplished.  
25 Thus, the CHURCH has been unable to effectively and fully execute their mission of helping the  
26  
27  
28

1 community. As such, the denial of the use of the CATALINA site by Defendant has  
2 substantially burdened, and continues to substantially burden, the CHURCH's and ICFG's free  
3 exercise of religion.

4 68. The Food Ministry provides meals to the public. The CHURCH serves between  
5 300 to 400 men, women, and children from needy families each Wednesday night. The  
6 MANOR kitchen, smaller than an average home kitchen, is not adequate to prepare meals for the  
7 300 to 400 adults and children. Moreover, the kitchen does not have adequate space to  
8 accommodate the staff, preparers, and servers necessary for the number of people the CHURCH  
9 serves. The kitchen is overcrowded and the number served cannot be expanded to meet  
10 community need. However, the new facility at CATALINA will have a kitchen and food  
11 preparation area that is five times larger. The CHURCH will be able to install professional  
12 restaurant style equipment. More space and commercial equipment will enable the Food  
13 Ministry to better meet community needs. As demonstrated, not being able to use the  
14 CATALINA site is a substantial burden on the CHURCH's religious exercise by hindering their  
15 devout mission of providing a community food ministry to needy individuals and families.  
16

17 69. Another community service being substantially burdened by the Defendant is the  
18 Single Parent Ministry. The CHURCH ministers to single parents, so they can effectively  
19 function in their families and the community. The CHURCH offers classes on parenting, time  
20 management, resume formatting, building self-esteem, and budget planning. Parking and  
21 facility space limitations are hindering the growth of the Single Parent Ministry. The CHURCH  
22 needs larger rooms, and more rooms, to expand the Single Parent Ministry to serve the  
23 community, as per the CHURCH's religions mandates. The new facility will create about three  
24 times more facility space and will provide hundreds of more parking spaces. The CHURCH  
25  
26  
27  
28

1 would have room for a food and clothing closet. Single parents could receive free clothing and  
2 shoes for their doctor appointments, job interviews, and any other business-dress event. The  
3 CHURCH does not have enough room; the CHURCH has outgrown the old facility. The  
4 Defendant is crippling the CHURCH's ability to operate the Single Parent Ministry by not  
5 allowing use of the CATALINA property. The Defendant is making the CHURCH effectually  
6 crawl on one leg when they could be walking on two; this is a substantial burden on the  
7 CHURCH's free exercise of religion.  
8

9 70. Lastly, because of parking and facility space limitations the CHURCH has not  
10 been, and continues to not be, able to conduct Community Counseling Ministries in line with  
11 community need. The CHURCH conducts marriage and divorce counseling, Biblical instruction  
12 counseling, recovery drug and alcohol program counseling, youth counseling, and job  
13 counseling. For example, the CHURCH's youth counselors help get teens out of gangs, off of  
14 drugs, and back into school. The CHURCH's counseling sessions for the youth are  
15 overcrowded. Many people have been turned away due to lack of space and parking. The  
16 overall growth of the above programs and the exponential growth of the CHURCH are  
17 hampered due to space restrictions. The new building will accommodate well over 1,000 seats  
18 and parking for hundreds of vehicles. Additionally, the building will have adequate classrooms  
19 and space needed to accomplish the CHURCH's religious counseling mission. By denying  
20 access to the CATALINA property the Defendant is substantially burdening the CHURCH's  
21 free exercise of religion by not allowing them to fully operate their Community Counseling  
22 Ministries.  
23  
24  
25  
26  
27  
28

**Compelling Interest**

71. The Defendant's denial of the CHURCH's use of the CATALINA site is not in furtherance of a narrowly tailored compelling governmental interest. The Defendant's stated interests are as follows: (1) preserving the CITY's jobs and tax revenues by excluding the CHURCH from job and tax-producing locations; (2) preventing traffic problems by excluding the CHURCH from areas that do not abut or are not within one-quarter mile of an arterial; (3) opposition from neighboring homeowners association; and, (4) protecting public health and safety by excluding the CHURCH from locations in the vicinity of Hazardous Material Business Plan sites.

72. Promoting positive change in the next 15 years by excluding the CHURCH from General Plan Focus Areas is not a compelling governmental interest, because RLUIPA does not allow a government to use broad and discretionary land use rationales to select the precise property where a religious group can worship. The conclusive exclusion of churches, but not other assembly uses, from any location designated "Study Area" would require a compelling demonstration of incompatibility. That demonstration of incompatibility was not made and could not be made against the Catalina Street location.

73. Preventing traffic problems by excluding the CHURCH from areas that do not abut or are not within one-quarter mile of an arterial is not a valid compelling governmental interest. Church related traffic would be greatest on Sundays when most industrial businesses are closed. Most people are home in residential areas on the weekends. Granting use of the CHURCH's new facility would separate these two crowds placing them in separate areas. Thus, allowing the CHURCH to use the CATALINA site would solve a severe traffic problem at its current residential location without creating a new one.

1           74. Such traffic is not a grave and immediate danger to public health, peace, and  
2 welfare. Farallon Drive serves the CATALINA property and is double-width with a two-way  
3 turning lane the length of the boulevard. Farallon connects two major arterials (Doolittle and  
4 Wicks). Allowing the CHURCH to use their CATALINA site will serve the CITY's traffic  
5 safety interest. Utilizing the CHURCH's new facility will alleviate current traffic problems in  
6 an overcrowded residential area by directing the CHURCH's traffic to an open commercial site  
7 with plenty of driving and parking space.

8           75. Protecting public health and safety by excluding the CHURCH from locations in  
9 the vicinity of Hazardous Material Business Plan sites is not a compelling governmental interest,  
10 because the CITY has permitted other assembly uses in the same location. Moreover, under the  
11 criteria of being more than two acres in size and more than one-quarter mile from a Hazardous  
12 Materials site, none of the 196 properties in the approved Assembly Use Overlay District would  
13 qualify for assembly use. Additionally, the threat of exposure to hazardous materials does not  
14 present a grave and immediate danger to public health, peace, and welfare, because church uses  
15 are compatible with light industrial uses. The CITY's building code obligates the user of  
16 hazardous materials to provide a system that effectively prohibits migration of hazardous  
17 materials off that particular property. Finally, even if the interest were compelling, it is  
18 unconstitutionally vague, because an applicant cannot know how many Hazardous Material sites  
19 within what distance is acceptable.

20           76. Preserving the CITY'S jobs and tax revenues by excluding the CHURCH from job  
21 and tax-producing locations is not a compelling governmental interest. As a matter of law,  
22 preserving jobs and tax revenues is not a compelling governmental interest. RLUIPA does not  
23 permit the use of broad and discretionary land use policies to select a precise place where a  
24  
25  
26  
27  
28

1 religious group can worship, which is what the Defendant is doing to the CHURCH. The  
2 CHURCH does provide a substantial number of jobs.

3 **Narrow Tailoring**

4 77. Besides lacking the requisite compelling justification, Defendant's stated health  
5 and safety interests are not narrowly tailored. There are other less restrictive alternatives that the  
6 Defendant can take to ensure that their interests are met. The Defendant has cited a health and  
7 safety concern in permitting the CHURCH to use the CATALINA property near sites with  
8 hazardous material plans. However, the Defendant allows other commercial assembly uses,  
9 mass employment uses, and an assembly overlay district with assembly locations close to sites  
10 with hazardous material plans.  
11

12 78. The industrial zoning currently on the CATALINA site permits both commercial  
13 recreation and entertainment activities. A church use that gathers people for worship and other  
14 activities is very similar to a commercial entertainment facility, such as a multi-screen movie  
15 theater. Through its industrial zoning, the CITY serves the stated health interests while allowing  
16 commercial recreation and entertainment activities. Despite this, the Defendant apparently  
17 asserts that there are no other means of serving the health interest for religious assembly at the  
18 same time. Defendant's bad faith shows a lack of narrow tailoring.  
19

20 79. About 2,000 employees work in businesses surrounding the church site every  
21 weekday. The hazardous materials are actively used in the manufacturing process on weekdays.  
22 ICFG and the CHURCH are informed and believe and thereon allege that the CITY has a plan  
23 for the health and safety of people working extremely close to these chemicals. Despite this  
24 plan, Defendant fails to allow the CHURCH assembly use to operate under the same plan. The  
25  
26  
27  
28

1 Defendant has failed to articulate a rational basis why religious users should be subject to a  
2 different standard than industrial workers.

3 80. Finally, the CITY's newly approved assembly overlay zoning included 196 parcels  
4 and skipped the CATALINA property. Most, if not all of those sites, are surrounded by  
5 industrial areas with hazardous material plans. There is no difference in having assembly in  
6 these areas and having assembly on the CATALINA site. In that the CITY can serve their  
7 health and safety interests while allowing assembly (AU) overlay zoning near hazardous waste  
8 plans then the CITY should be able to serve their health and safety interests while allowing the  
9 CHURCH to assemble on the CATALINA property.  
10

11 81. More hazardous materials require additional levels of containment, all designed to  
12 keep the materials from leaving the site where they are used. Containment plans now in place  
13 are keeping hazardous materials from homes located 250 yards away from the CATALINA  
14 property that are behind other industrial buildings. Thousands of employees work with and  
15 around these materials. Current safety plans are protecting these employees. The safety plans  
16 are just one example of a narrowly tailored alternative to support health and safety and could be  
17 used to allow religious assembly on the CATALINA site. Instead, Defendant has deliberately  
18 refused, and continues to refuse, to provide the same or similar narrowly tailored plan for the  
19 CHURCH.  
20

21  
22 **FIRST CAUSE OF ACTION:**  
23 **Violation of Religious Land Use and Institutionalized**  
24 **Persons Act of 2000 -- "Substantial Burden on Religious Exercise"**  
25 **(42 U.S.C. § 2000cc (a), et seq.)**  
26

27 82. ICFG and CHURCH hereby incorporate paragraphs 1 through 81 of this Complaint  
28 as though fully set forth herein.

1           83. CHURCH alleges that Defendant has in place formal or informal procedures or  
2 practices that permit Defendant to make individualized assessments of the proposed religious  
3 use for the CATALINA property. The Defendant further makes, and has in place, one or more  
4 land use regulations which direct that no property within the jurisdiction of the CITY may be  
5 used as a church without the prior issuance of an Assembly Use Permit. The conditions of said  
6 regulations and denial of the CHURCH's application for an Assembly Use Permit for the  
7 CATALINA property constitute a substantial burden on the religious exercise of the CHURCH  
8 and constitute unlawful restrictions on the use of the subject property.  
9

10           84. The Defendant's denial of the CHURCH's use of the CATALINA site imposes a  
11 substantial burden on the religious exercise of the CHURCH in violation of RLUIPA of 2000,  
12 42 U.S.C. § 2000cc(a) et seq., because the CHURCH and has been, and is, significantly limited  
13 in its ability to fully exercise its beliefs in the commands of Jesus Christ to proclaim and  
14 propagate the Gospel, make disciples, and assist the poor. Because the CHURCH has outgrown  
15 its current facility in terms of building space and parking, members and visitors are hindered in  
16 their attendance of worship services in the worship center and of other religious instruction. The  
17 CHURCH has found suitable property, the CATALINA site, to solve these problems, but the  
18 Defendant will not allow the CHURCH to use the CATALINA property for religious purposes.  
19 Further, despite the CHURCH's good faith effort to comply with a lengthy application process  
20 and its reasonable reliance on statements by City officials that other entities have been granted  
21 Assembly Use Permits, the CHURCH must pay nearly \$35,000 a month for a property that it  
22 cannot use.  
23  
24

25           85. The Defendant's denial of the CHURCH's use of the CATALINA site is not in  
26 furtherance of a narrowly tailored compelling governmental interest of preserving property for  
27  
28

1 one of its General Plan Focus Areas. RLUIPA does not allow a government to use broad and  
2 discretionary land use rationales to select the precise property where a religious group can  
3 worship.

4 86. The Defendant's denial of the CHURCH's use of the CATALINA property,  
5 because it does not abut or is not within one-quarter mile of an arterial, is not in furtherance of a  
6 narrowly tailored compelling governmental interest. Church related traffic would be greatest on  
7 Sundays when most businesses are closed. In addition, such traffic is not a grave and immediate  
8 danger to public health, peace, and welfare.

9 87. The Defendant's denial of the CHURCH's use of the CATALINA site because it is  
10 in the vicinity of businesses which operate under a Hazardous Materials Business Plan is not in  
11 furtherance of a narrowly tailored compelling governmental interest in public health and safety.  
12 The CITY has permitted other Assembly Uses in the same location. The threat of exposure to  
13 hazardous materials does not present a grave and immediate danger to public health, peace, and  
14 welfare.

15 88. The Defendant's denial of the CHURCH's use of the CATALINA site because it is  
16 in the vicinity of businesses which operate under a Hazardous Materials Business Plan is not the  
17 least restrictive means of furthering its alleged compelling governmental interests in public  
18 health and safety. Defendant has permitted other assembly uses in the same location. The  
19 Defendant could follow the same practices as in these situations to further their interests and  
20 allow an Assembly Use Permit.

21 89. Unless Defendant is enjoined and restrained by the Court from denying the  
22 CHURCH's use of the CATALINA property, the CHURCH will continue to be substantially  
23 burdened in its religious exercise through the imposition of a land use regulation. The  
24  
25  
26  
27  
28

1 CHURCH has also suffered, and continues to suffer, monetary damages as a result of  
2 Defendant's unlawful actions.

3 90. Wherefore, ICFG and CHURCH seek any and all "appropriate relief" as per 42  
4 U.S.C. 2000cc-2(a) and as otherwise provided by law against the Defendant as hereinafter set  
5 forth in the prayer.

6 **SECOND CAUSE OF ACTION:**

7 **Violation of Religious Land Use and Institutionalized**

8 **Persons Act of 2000 -- "Treatment of Religious Assembly on Less Than**

9 **Equal Terms with a Nonreligious Assembly"**

10 **(42 U.S.C. § 2000cc(b)(1), et seq.)**

11  
12 91. ICFG and CHURCH hereby incorporate paragraphs 1 through 90 of this Complaint  
13 as though fully set forth herein.

14 92. The Defendant's denial of the CHURCH's use of the CATALINA site treats the  
15 CHURCH on a less than equal basis with a nonreligious assembly in violation of RLUIPA of  
16 2000, 42 U.S.C. § 2000cc(b)(1), et seq., because the CITY has already approved assembly use  
17 amendments for commercial recreation and entertainment businesses without subjecting them to  
18 all of the same criteria that has been required of the CHURCH. Moreover, Defendant's have  
19 imposed a ¼ mile circumference from a hazardous materials business plan requirement  
20 exclusively upon the CHURCH.

21  
22 93. Unless Defendant is enjoined and restrained by the Court from denying the  
23 CHURCH's use of the CATALINA property, the CHURCH's right to be treated on equal terms  
24 with a nonreligious assembly will continue to be infringed in violation of RLUIPA of 2000, 42  
25 U.S.C. 2000cc(b)(1). The Defendant has imposed a different standard upon the CHURCH  
26 because the Defendant is allowing other similarly situated commercial assembly usages while  
27  
28

1 not allowing the CHURCH's religious assembly. The Defendant's decision to not allow the  
2 CHURCH's use of their new facility treats the CHURCH unequally when compared to  
3 standards and criteria applied to other non-religious similarly situated entities. ICFG and  
4 CHURCH have also suffered, and continue to suffer, monetary damages as a result of  
5 Defendant's unlawful actions.

6 94. The Defendant has imposed a different standard upon the CHURCH because the  
7 Defendant have imposed a ¼ mile circumference from a hazardous materials business plan  
8 requirement exclusively upon the CHURCH.

9 95. Wherefore, ICFG and CHURCH seek any and all "appropriate relief" as per 42  
10 U.S.C. 2000cc-2(a) and as otherwise provided by law against the Defendant as hereinafter set  
11 forth in the prayer.  
12

13 **THIRD CAUSE OF ACTION:**  
14 **Violation of Religious Land Use and Institutionalized**  
15 **Persons Act of 2000 -- "Total Exclusion from Jurisdiction or**  
16 **Unreasonable Limits on Religious Assemblies within Jurisdiction"**  
**(42 U.S.C. 2000cc(b)(3))**

17 96. ICFG and CHURCH hereby incorporate paragraphs 1 through 95 of this Complaint  
18 as though fully set forth herein.

19 97. The Defendant's criteria used to deny the CHURCH's use of the CATALINA site  
20 is a violation of the RLUIPA of 2000 (42 U.S.C. § 2000cc(b)(3)) prohibition against land use  
21 regulations that totally exclude religious assemblies from a jurisdiction, or unreasonably limit  
22 them within a jurisdiction, because there are virtually no properties in the recently created  
23 Assembly Overlay District, or in any other district outside of residential zones, that are not  
24 within 500 feet of a business operating under a Hazardous Materials Business Plan.  
25  
26  
27  
28

1           98. Further, there are no properties available in residentially zoned areas which have  
2 sufficient acreage and/or building that will accommodate an assembly of the CHURCH's size.  
3 In like manner, there are no properties available which have sufficient acreage and/or a building  
4 that will accommodate an assembly of the CHURCH's size in the Assembly Overlay District.  
5 Thus, by preventing the CHURCH from using the CATALINA property for religious purposes,  
6 the Defendant has acted to unreasonably limit religious assembly within a jurisdiction.

7  
8           99. The Defendant's criteria used to deny the CHURCH's use of the CATALINA  
9 property is a violation of RLUIPA, which prohibit land use regulations that totally exclude  
10 religious assemblies from a jurisdiction, or unreasonably limit them within a jurisdiction (42  
11 U.S.C. § 2000cc(b)(3)). The reason is that there are no properties in the recently created  
12 Assembly Use Overlay District of over two acres in size, as required for a religious assembly  
13 use by an assembly of the size like the CHURCH, and not within one-quarter mile of a business  
14 operating under a Hazardous Materials Business Plan.

15  
16           100. Unless Defendant is enjoined and restrained by the Court from denying the  
17 CHURCH's use of the CATALINA site, the CHURCH's right under RLUIPA not to have  
18 imposed on it land use regulations that totally exclude religious assemblies from a jurisdiction,  
19 or unreasonably limit them within a jurisdiction, will continue to be violated. The CHURCH  
20 has also suffered, and continues to suffer, monetary damages as a result of the Defendant's  
21 unlawful actions.

22  
23           101. Wherefore, ICFG and CHURCH seek any and all "appropriate relief" as per 42  
24 U.S.C. 2000cc-2(a) and as otherwise provided by law against the Defendant as hereinafter set  
25 forth in the prayer.  
26  
27  
28

**FOURTH CAUSE OF ACTION:**  
**Deprivation of Rights under United States Constitution:**  
**Free Exercise of Religion: First and Fourteenth Amendments**  
**(42 U.S.C. § 1983)**

102. ICFG and CHURCH hereby incorporate paragraphs 1 through 101 of this Complaint as though fully set forth herein.

103. Defendant has deprived, and continue to deprive, the CHURCH of its right to the free exercise of religion, as secured by the First Amendment to the United States Constitution and made applicable to the States by the Fourteenth Amendment. Defendant has discriminated against the CHURCH by substantially burdening its ability to freely exercise its religious faith through the CITY'S assembly use application regulation. Both on its face and as applied, the burden is not neutral or of general application and is not narrowly tailored. Defendant, through its employees and agents, acted in a manner ultra-vires to the law and under color of state law. Furthermore, Defendant acted intentionally and knew, or should have known, that its actions violated rights secured under the First and Fourteenth Amendments and federal law.

104. Wherefore, ICFG and CHURCH seek relief against the Defendant as hereinafter set forth in the prayer.

**FIFTH CAUSE OF ACTION:**  
**Deprivation of Rights under United States Constitution:**  
**Freedom of Speech: First and Fourteenth Amendments**  
**(42 U.S.C. § 1983)**

105. ICFG and CHURCH hereby incorporate paragraphs 1 through 104 of this Complaint as though fully set forth herein.

106. Defendant, acting through its agents and employees, has deprived, and continues to deprive, the CHURCH of its right to free speech, as secured by the First Amendment to the United States Constitution and made applicable to the States by the Fourteenth Amendment.

1 Defendant has discriminated against the Church by restricting its speech rights and the  
 2 congregants' corresponding right to hear. The crowded facilities, inadequate parking, and traffic  
 3 congestion at the CHURCH's present location are hindering its members and visitors from  
 4 entering the CHURCH's facilities and exercising their speech rights. If the Defendant had  
 5 permitted the CHURCH to use the CATALINA site, the CHURCH and its congregants could  
 6 have been exercising their free speech rights. Defendant's actions were ultra-vires, under color  
 7 of state law and intentional, and it knew, or should have known, that its actions violated rights  
 8 secured under the First and Fourteenth Amendments and federal law.

10 107. Wherefore, ICFG and CHURCH seek relief against the Defendant as hereinafter set  
 11 forth in the prayer.

12 **SIXTH CAUSE OF ACTION**  
 13 **Deprivation of Rights under United States Constitution:**  
 14 **Freedom of Assembly: First and Fourteenth Amendments**  
 15 **(42 U.S.C. § 1983)**

16 108. ICFG and CHURCH hereby incorporate paragraphs 1 through 107 of this  
 17 Complaint as though fully set forth herein.

18 109. Defendant, acting through its employees and agents has deprived, and continues to  
 19 deprive, the CHURCH of its right to freely assemble for the purpose of religious worship and  
 20 expression, as secured by the First Amendment to the United States Constitution and made  
 21 applicable to the States by the Fourteenth Amendment. Defendant's actions were ultra-vires,  
 22 under color of state law and intentional, and it knew, or should have known, that its actions  
 23 violated rights secured under the First and Fourteenth Amendments and federal law.

24 110. Wherefore, ICFG and CHURCH seek relief against the Defendant as hereinafter set  
 25 forth in the prayer.

**SEVENTH CAUSE OF ACTION**  
**Deprivation of Rights under United States Constitution:**  
**Freedom of Association: First and Fourteenth Amendments**  
**(42 U.S.C. § 1983)**

111. ICFG and CHURCH hereby incorporate paragraphs 1 through 110 of this Complaint as though fully set forth herein.

112. Defendant, acting through its employees and agents, has deprived, and continues to deprive, the CHURCH of its right to freely associate for the purpose of religious worship and expression, as secured by the First Amendment to the United States Constitution and made applicable to the States by the Fourteenth Amendment. Defendant's actions were ultra-vires, under color of state law and intentional, and it knew, or should have known, that its actions violated the associative rights of the CHURCH and its members secured under the First and Fourteenth Amendments and federal law.

113. Wherefore, ICFG and CHURCH seek relief against the Defendant as hereinafter set forth in the prayer for relief.

**EIGHTH CAUSE OF ACTION:**  
**Deprivation of Rights under United States Constitution:**  
**Equal Protection: Fourteenth Amendment**  
**(42 U.S.C. § 1983)**

114. ICFG and CHURCH hereby incorporate paragraphs 1 through 113 of this Complaint as though fully set forth herein.

115. Defendant, acting through its employees and agents, has deprived and continues to deprive the CHURCH of its right to equal protection of the laws, as secured by the Fourteenth Amendment to the United States Constitution, by discriminating against the CHURCH in its application of the laws, regulations, and plans of the State of California and those of the CITY, in a manner that was on less than equal terms with nonreligious assemblies. Defendant's actions

1 were ultra-vires, under color of state law and intentionally calculated to deny equal protection  
2 under the law, and it knew, or should have known, that its actions violated rights secured under  
3 the First and Fourteenth Amendments and federal law

4 116. Wherefore, ICFG and CHURCH seek relief against the Defendant as hereinafter set  
5 forth in the prayer.

6  
7 **NINTH CAUSE OF ACTION:**  
8 **Deprivation of Rights under United States Constitution:**  
9 **Due Process: Fourteenth Amendment**  
10 **(42 U.S.C. § 1983)**

11 117. ICFG and CHURCH hereby incorporate paragraphs 1 through 116 of this  
12 Complaint as though fully set forth herein.

13 118. Defendant, acting through its employees and agents, has deliberately deprived and  
14 continues to deprive the CHURCH of due process of law, as secured by the Fourteenth  
15 Amendment to the United States Constitution, by 1) denying the CHURCH the use of the  
16 CATALINA site for worship, religious education, and social services, based on the CITY'S  
17 General Plan, Zoning Code, Zoning Map, and Assembly Use Overlay District criteria that are in  
18 part vague and indefinite and constitute a standard of review different in substance and form  
19 from that applied to other applicants, including distinct public health and safety criteria, and 2)  
20 intentionally prolonging the Assembly Use Permit application process in order to obstruct,  
21 delay, and prevent the CHURCH's use of the CATALINA property. Defendant's actions were  
22 ultra-vires, under color of state law and intentional, and it knew, or should have known, that its  
23 actions violated rights secured under the First and Fourteenth Amendments and federal law.  
24 Defendant's actions were intentionally calculated to deny the due process rights of CHURCH.

25 119. Wherefore, ICFG and CHURCH seek relief against the Defendant as hereinafter set  
26 forth in the prayer.  
27  
28

**PRAYER FOR RELIEF**

WHEREFORE, ICFG and CHURCH respectfully pray that the Court grant:

1. A preliminary injunction allowing the CHURCH to worship and exercise of its religious freedom in the CATATLINA property during the pendency of this case;
2. An order permanently enjoining Defendant from denying the CHURCH use of the CATALINA site;
3. An order declaring the respective rights and duties of the parties relative to the CATALINA property;
4. An order declaring that the criteria used by the Defendant to deny the CHURCH's use of the CATALINA site, to wit, (1) preserving the CITY's jobs and tax revenues by excluding the CHURCH from job and tax-producing locations; (2) preventing traffic problems by excluding the CHURCH from areas that do not abut or are not within one-quarter mile of an arterial; (3) opposition from neighboring homeowners association; and, (4) protecting public health and safety by excluding the CHURCH from locations in the vicinity of Hazardous Material Business Plan sites, is, as applied, void, invalid, and unconstitutional, in that it violates the Free Exercise, Free Speech, Free Assembly, Free Association, Equal Protection, and Due Process rights under the United States Constitution and the Religious Exercise protections of the Religious Land Use and Institutionalized Persons Act of 2000;
5. An order declaring that the criteria used by the Defendant to deny the CHURCH's use of the CATALINA property, to wit, (1) preserving the CITY's jobs and tax revenues by excluding the CHURCH from job and tax-producing locations; (2) preventing traffic problems by excluding the CHURCH from areas that do not abut or are not within one-quarter mile of an arterial; (3) opposition from neighboring homeowners association; and, (4) protecting public

1 health and safety by excluding the CHURCH from locations in the vicinity of Hazardous Material  
2 Business Plan sites, on their face, void, invalid, and unconstitutional, in that it violates the Free  
3 Exercise, Free Speech, Free Assembly, Free Association, Equal Protection, and Due Process rights  
4 under the United States Constitution and the Religious Exercise protections of the Religious Land  
5 Use and Institutionalized Persons Act of 2000;

6           6.       An order declaring one of the criteria used by the Defendant to deny the  
7 CHURCH's use of the CATALINA property, to wit, protecting public health and safety by  
8 excluding the CHURCH from locations in the vicinity of Hazardous Material Business Plan sites,  
9 void, invalid, and unconstitutional on its face, and as applied, in that it is so vague, in that a  
10 reasonable person of average intelligence cannot understand it and conform his or her conduct  
11 thereto.  
12

13           7.       An order declaring one of the criteria used by the Defendant to deny the  
14 CHURCH's use of the CATALINA property, to wit, that allowing use of the CATALINA  
15 property for religious use is inconsistent with the CITY's General Plan is void, invalid, and  
16 unconstitutional on its face, and as applied, in that it is so vague, in that a reasonable person of  
17 average intelligence cannot understand it and conform his or her conduct thereto.  
18

19           8.       Any and all "appropriate relief" as per 42 U.S.C. 2000cc-2(a)

20           9.       Nominal damages;

21           10.      Economic damages;

22           11.      Reasonable attorneys' fees pursuant to 42 U.S.C. § 1988(b) and other applicable  
23 statutes;  
24

25           12.      Costs incurred as a result of Defendant's actions and this lawsuit;  
26  
27  
28

1           13.     In light of unreasonable delays in processing CHURCH'S land use application,  
2 City shall establish a restricted fund and begin reserving for potential damages in an amount equal  
3 to CHURCH'S monthly mortgage interest on the CATALINA property (not including principle),  
4 accruing monthly from March 19, 2007 (the reasonable conservative date by which final approval  
5 should have been granted, if appropriate) until a judicial determination of this case becomes final;  
6 and,

7  
8           14.     Other and further relief as the Court deems just and proper.

9 Dated: October 26, 2007
